FEATURE

PICKUPS

RG's U.S. custom-made and designed pickups combined with the SPLIT-5 Switching System deliver everything from bright cutting sustain to fat, punchy power chords. RG's smooth controls give you the fullest range of sound options and are positioned for maximum playing ease.

770.DX

TREMOLO

RG's recess-mounted LO-PRO EDGE Locking Tremolo (Licensed under Floyd Rose Patents) works in harmony with RG's TOPLOCKIII Locking Nut System to allow the most radical tremolo action and right-hand picking-in perfect tune every time.

NECK

RG's lighting-fast 24 Jumbo fret speed neck provides effortless string-bending, power-chording and leads. RG's Wizard neck also features a tilt-neck joint and matching headstock for distinctive playability.

CRAFTSMANSHIP

RG's light but superbly resonant Basswood body, beautiful finishes and Wizard necks and are carefully chosen to deliver the look and sound of the most popular professional Rock guitar in the world IBANEZ RG Series Guitar.
